

## **WYH Tuition Assistance Program**

WYH offers two forms of tuition assistance: First, we offer multi-child discounts for families with more than one child in the program; with some exceptions\*, Child #2 receives a 10% discount and additional children all receive a 50% discount. Second, we offer tuition scholarships to needy families, whose children would not otherwise be able to participate in WYH. Scholarship discussions are held on a confidential basis between the family and our President and/or Treasurer; WYH does not require any financial documentation, but we simply ask that scholarship discussions be based on honest need. Most scholarships are partial assistance, as we hope that most families receiving assistance will contribute in some way to their family's tuition.

Any questions regarding Tuition Assistance should be directed to President David Hennessey (hennessey.david@comcast.net) or Treasurer Jim Kiley (jimk@jakiley.com)

\*Exceptions -- Children enrolled in our Midget and Learn to Skate Programs, or as Full-Time Goalies, are not eligible for multi-children discounts.
